

Welcome

Here you can browse online our “high-comfort” furnished tourist accommodations that we offer for rent for spa treatments in Avène.

Having worked in this profession for more than twenty years, we have learned to understand and get to know our guests.

With a constant focus on offering greater comfort, we have invested in upmarket apartments where tenants can feel just like at home.

We would therefore be delighted to welcome you to our residence, La Remise.

We wish you an enjoyable visit to our website.
